## Parking and Entry Information

Use revolving door at ground floor entrance, northwest corner of Wilson Hall.  
Turn right and take elevator to 1<sup>st</sup> floor.

### How to enter Fermilab

Visitors may enter Fermilab through the Pine Street or the Batavia Road entrances. After presenting identification, most visitors will simply pass through the security checkpoint after telling the security officer the purpose for their visits. Roadways that are off limits to visiting members of the public are posted with signs, and motorists will be given site maps to guide them to the public areas.

### From Chicago

Fermilab is located in Batavia, Illinois, about 45 miles West from Chicago. From Chicago, travel west on the Eisenhower (I-290) to I-88 (80 cents) Exit I-88 at the Farnsworth exit, north or right (60 cents). Farnsworth becomes Kirk Road. Follow Kirk Road to Pine Street. Turn right at Pine Street, Fermilab's main entrance.
